

# The Voice Masquerade LLC

## Studio Set up and Internet Capabilities:

I use a Lauten Audio LA-220 Large-diaphragm Condenser Microphone and an AKG C 1000 S Gradient Condenser Microphone. I use Adobe Audition, Audacity, and/or WavEditor. My preamp is a Scarlett 2i2 by Focusrite. I have a freestanding vocal booth. Internet speeds of up to 350 Mbps download and 300 Mbps upload. Zoom, Skype and GoogleMeet ready. Source Connect available upon request.
